

(iii) presenting said standard photograph and said at least one additional photograph to said person; and

(iv) suggesting skin care products based upon said person's review of said presented photographs.

2. (Original) A method of claim 1, wherein said method further comprises presenting said person with one or more questions relating to said presented photographs and said suggestion of skin care products is based upon said person's answers to said one or more questions.

3. (Original) A method of claim 1, wherein said method comprises taking a polarized photograph.

4. (Original) A method of claim 2, wherein said method comprises taking a polarized photograph.

5. (Original) A method of claim 1, wherein said method comprises taking an ultraviolet photograph.

6. (Original) A method of claim 2, wherein said method comprises taking an ultraviolet photograph.

7. (Original) A method of claim 3, wherein said method further comprises taking an ultraviolet photograph.

8. (Original) A method of claim 4, wherein said method further comprises taking an ultraviolet photograph.

9. (Currently Amended) A method of claim 3, wherein said polarized photograph is taken with a camera by (i) filtering light emitted from a light source with a polarizing filter and (ii) not filtering the light entering said camera with another polarizing filter prior to such light entering said camera.

10. (Currently Amended) A method of claim 4, wherein said polarized photograph is taken with a camera by (i) filtering light emitted from a light source with a polarizing filter and (ii) not further filtering the light entering said camera with another polarizing filter prior to such light entering said camera.

11. (Original) A method of claim 5, wherein said ultraviolet photograph is taken by filtering light emitted from a light source with an ultraviolet A filter.

12. (Original) A method of claim 6, wherein said ultraviolet photograph is taken by filtering light emitted from a light source with an ultraviolet A filter.

13. (Original) A method of claim 7, wherein said ultraviolet photograph is taken by filtering light emitted from a light source with an ultraviolet A filter.

14. (Original) A method of claim 8, wherein said ultraviolet photograph is taken by filtering light emitted from a light source with an ultraviolet A filter.

15. (Original) A method of claim 1, wherein said standard photograph and at least one of said at least one additional photograph are taken with a single digital camera.

16. (Original) A method of claim 2, wherein said standard photograph and at least one of said at least one additional photograph are taken with a single digital camera.

17. (Original) A method of claim 10, wherein said standard photograph and at least one of said at least one additional photograph are taken with a single digital camera.

18. (Original) A method of claim 14, wherein said standard photograph and at least one of said at least one additional photograph are taken with a single digital camera.

19. (Original) A method of claim 15, wherein said standard photograph and said at least one additional photograph are taken within a period of less than about 30 seconds.

20. (Original) A method of claim 16, wherein said standard photograph and said at least one additional photograph are taken within a period of less than about 30 seconds.

21. (Original) A method of claim 17, wherein said standard photograph and said at least one additional photograph are taken within a period of less than about 30 seconds.

22. (Original) A method of claim 18, wherein said standard photograph and said at least one additional photograph are taken within a period of less than about 30 seconds.
